IMPORTANT UPDATE REGARDING SUMMER CAMP

As many of you know, Mount Olive is preparing to break ground on our new building—an exciting step forward for our school community. Due to the construction taking place on campus, we will unfortunately not be able to offer Summer Camp this year.

We understand that Summer Camp is something many families plan for and rely on, and we sincerely apologize for any inconvenience this may cause. While we will miss spending the summer months with our students, we are grateful for your understanding and support as we take this important step in growing and improving our facilities for the future.

We look forward to welcoming campers back in future summers and are excited for all that this new building will bring to Mount Olive Lutheran Church and School.

CANCER COMPANIONS PROGRAM

In 2022, Shepherd of The Valley Lutheran Church members Kim Carstens, Rick Shults and Maribeth Erickson started a ministry called, "Seeing God in Your Cancer Journey," as part of the Cancer Companions Program. This program is designed to help persons with cancer and their family and/or caregivers to better understand where God fits into their cancer struggle and how to use scripture to find comfort and guidance. We are trained Cancer Companions facilitators. Links to the Cancer Companion website are below.

The program provides participants with a devotion guide and nine group meetings. We have offered the meetings virtually (Zoom) and have found this allows more participants to join us from wherever they are and regardless of their ability to leave home. We have decided to continue offering our ministry in this fashion to make it easier to reach beyond SOTV's doors.

In addition to our own members and the LCMS district office, we are reaching out to other LCMS congregations to share this ministry opportunity with your congregation. Anyone interested in this ministry can contact the SOTV church office at 515-225-1623 or this email address sotvcancercompanions@gmail.com and we will get back to them with more information.

*Cancer touches so many we believe God's
word can greatly help those that are
struggling to find the answers.*
